

OMOTIBA AYOBAMI SOLOMON

FULL-STACK DEVELOPER & UI / WEB DESIGNER

Nigeria (Remote-Ready) | 09031978634 | dasammayo@gmail.com | ayobamiomotiba.onrender.com

PROFESSIONAL SUMMARY

Full-stack developer and UI designer with 2+ years delivering high-converting, responsive web experiences for real clients. Proficient in Figma for layout design, component systems, and developer handoff. Capable across the full stack — React frontend, Node.js / Express / MongoDB and Supabase backend, with Paystack and email automation. Proven record taking projects from design concept to live deployment.

TECHNICAL SKILLS

Design & UI: Figma, Framer Motion, Canva, Responsive Design, Design Systems, Asset Handoff

Frontend: React.js, HTML5, CSS3, JavaScript, TypeScript, Tailwind CSS, React Native

Backend: Node.js, Express, MongoDB, Supabase, REST APIs, Paystack, EmailJS

Tools: Git, GitHub, VS Code, Google Workspace

PORTFOLIO — LIVE PROJECTS

Service Request Platform — ServiceIS [■ serviceisng.com](http://serviceisng.com)

Designed & built a full home-service platform enabling customers to request repairs, support, or device purchases delivered to their doorstep. Conversion-focused UX, mobile-first layout, Supabase backend, Paystack payments.

React · Supabase · Paystack · Node.js · Framer Motion · Figma

Consulate Recruitment Agency [■ consulaterecruitment.co.uk](http://consulaterecruitment.co.uk)

Designed and developed a staffing platform for corporate and domestic recruitment with admin-controlled job listings, blog, and conversion-focused layout.

React · Supabase · Framer Motion · Figma

Chef Zoey — Food Ecosystem [■ 1417bychefzoey.com](http://1417bychefzoey.com)

Cinematic showcase website for a chef brand with immersive scroll animations and strong visual hierarchy built to convert visitors.

React · Framer Motion · EmailJS · Figma

Digital Bridges Summit — Event Landing Page [■ ictware.com](http://ictware.com)

High-impact event landing page with live ticket sales, countdown timer, horizontal scroll sections, and Paystack integration.

React · Paystack · Framer Motion · Figma

WORK EXPERIENCE

Freelance Full-Stack Developer & UI Designer
